

## SECTION F – DELIVERIES OR PERFORMANCE

### F.1 CLAUSES INCORPORATED BY REFERENCE

This contract incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this/these address:

<http://www.arnet.gov/far>

Clause Number	Title	Date
	<b>FAR Clauses/Provisions</b>	
52.242-15	Stop Work Order	AUG 1989
52.242-15	Stop Work Order Alternative 1	AUG 1989
52.242-17	Government Delay of Work	APR 1984

### F.2 PERIOD OF PERFORMANCE

The period of performance for this indefinite delivery indefinite quantity contracts is a base period of 12 months with four (4) 12 month option periods.

Task Orders may be issued any time during the term of the indefinite delivery indefinite quantity contract. The period of performance will be specified in each task order and may include option periods which may extend 12 months beyond the term of the indefinite delivery indefinite quantity contract. For purposes of task orders where performance exceeds beyond the contract term of five years, the final contract year's pricing shall be used. At all times each order's terms shall be consistent with its appropriation.

### F.3 PLACE OF PERFORMANCE

The principal place of performance for work under this contract will be at the Department of Homeland Security, Nebraska Avenue Complex, Washington, DC 20528. In limited instances, performance of work will be at locations throughout the continental United States to be determined after contract award. There may be times when contractors are required to work at the GSA building at 7<sup>th</sup> and D St, Washington, DC 20407. Contractors may also be assigned to different locations within the National Capital Region. Contractors may be assigned to the Continuity of Operations Plan and required to participate in exercises and work at the COOP facility. Work may be conducted at regional facilities away from the Washington, DC metro area, and require assignment to DHS field offices. All work must be performed at the DHS Nebraska Avenue Complex unless approval to work at other locations is provided by the Government COTR after contract award. Any alternate work location that results in additional cost will require a modification to the contract before any work may begin at that alternate location. All
